## DANCE KALEIDOSCOPE IN THE COMMUNITY

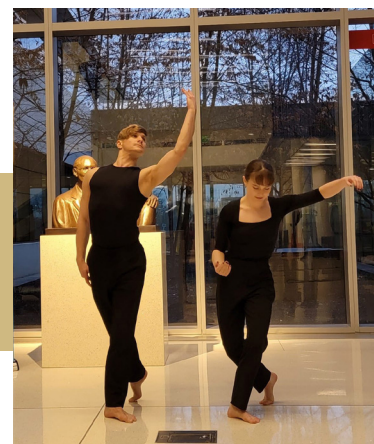

On **November 4th**, Dance Kaleidoscope performed to a sold-out crowd at the Damien Center's annual Grand Masquerade gala. Company members Marie Kuhns, Manuel Valdes, Holly Harkins, Julie Russel, and Adrian Dominguez revived Gimme, Gimme, Gimme from our IndyFringe show DIVA FEVA. Dance Kaleidoscope is honored to partner with such an excellent and essential organization.

From **November 30th** to December 3rd, dancers from our very own Dance Kaleidoscope School performed in Butler Ballet's production of Tchaikovsky's The Nutcracker. Marlo McAleavy and Cora Chatmon were members of the Party Guests ensemble, and Peytra Oomkes was part of the Cherries and Berries ensemble. Join us in congratulating these talented young dancers.

On **December 2nd**, Dance Kaleidoscope dancers Julie Russel, Manuel Valdes, and Cody Miley participated in a Blockhouse Studios film shoot for the upcoming NBA ALL-STAR 2024. The video, which also features libada Dance Company, break-dancers, and basketball players, will be projected in Downtown Indianapolis to welcome the estimated 125,000 visitors to our city.

On **December 5th**, The Marianne Tobias Music Program at Eskenazi Health hosted a free performance to honor the tremendous impact Marianne Tobias made on the Indianapolis music community. The program featured many independent artists and performers, including Dance Kaleidoscope dancers.

Dear Friends,

Thanks to you, Dance Kaleidoscope is standing on a 52 year foundation of excellence. Your gifts have enabled us to harness the power of creativity and give it back to the community through performances, outreach, educational programs and classes.

Each time the curtain goes up, your support makes the stage come to life with the power of dance. This happens because your support allows us to provide 41-week contracts and year-round health care benefits for our professional dancers.

It is generous people like you who understand that a vibrant arts community is built one donation at a time. We can only do this with you. Please commit to making a year-end gift. Every penny helps make an impact.

Cheers and Happy Holidays,

Kim
